Grow with Amazon Today!

Seamlessly!

Build Your Brand on Amazon!

Amazon Awaits!

About Us:

EcomEra, founded in 2021, is built to revolutionize eCommerce by helping brands grow on Amazon, TikTok, eBay, Walmart, and Etsy. With 20+ thriving brands under management and a unique profit-and-loss sharing model, we ensure mutual success with our partners.

Our mission is to empower businesses with innovative eCommerce solutions that drive growth, strengthen brand presence, and create long-term success through trust and collaboration. Guided by our vision to become a global leader in eCommerce management, we focus on transforming brands into industry leaders through digital innovation and strong partnerships.

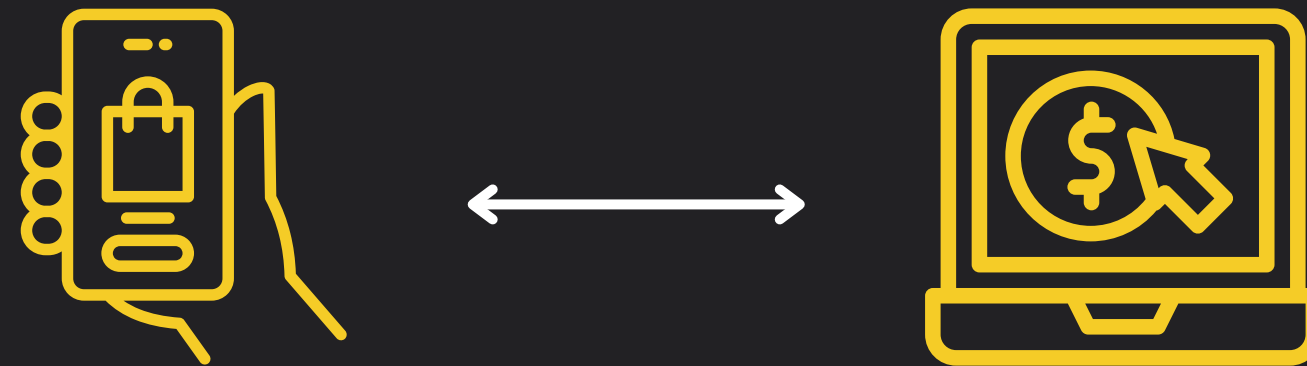

EcomEra is led by Founder & CEO Murtaza Lokhandwala, who previously spearheaded his family business, HSA Engineering with HILTI Switzerland, before establishing EcomEra. His vision, innovative mindset, and digital foresight have shaped EcomEra into a trusted partner for eCommerce growth worldwide.

The Problem

Most local brands struggle to launch on Amazon due to limited direction and expertise.

Ecomera solves this with a complete launch system for Wholesale and Private Label brands, turning ideas into profitable businesses faster.

Our Roadmap For Growth

Expanding Presence in Global Amazon Markets

Building a strong footprint in demanding markets through strategic product launches and optimized brand positioning.

Leveraging AI & Automation for Amazon Success

Using advanced tools to refine listings, run data-driven ad campaigns, and streamline operations for higher ROI.

Strategic Partnerships for Growth & Protection

Working with logistics partners, review management tools, and compliance experts to scale efficiently and safeguard brand reputation.

Trusted By Industry Leaders

We pride ourselves on cultivating strong, strategic partnerships and delivering tailored technology solutions to our key clients across various industries. Our clients range from emerging startups to established global enterprises, all benefiting from our innovative approach to digital transformation, AI integration, and data-driven strategies.

All Set on Our End Just Say “Go!”

Let’s discuss how our innovative Amazon Strategy solutions can drive your business forward.
